

Young Farmers Activities at the Annual Meeting

Our State Annual Meeting is scheduled for December 4-5, 2005 in Mobile. Here is a list of deadlines for all of the Young Farmers activities:

Visit www.alfayoungfarmers.org for Annual Meeting information and applications.

Miss Alabama Agriculture Contest Deadline: October 1

For the Miss Ag Pageant, there is a \$15.00 registration fee. All contestants will be housed in the Riverview Plaza Hotel.

As in the past, we will reserve one room containing two double beds for each Miss Ag contestant. Each county will be responsible for any additional reservations. Again this year, there will not be a luncheon for the Miss Ag Contestants.

Talent Find Contest Deadline: October 1

Each county will be responsible for their contestants' expenses and reservations. No reservations will be made by the state organization. Talent contestants stay in the same hotel as the county Farmers Federation.

Report of Work Form Deadline: October 1

This form is used to determine how many votes a county Young Farmers Committee has to elect State Young Farmers Committee members during the Young Farmers Annual Business Meeting. It is also used to determine the winners of the County Recognition and Award Program. In order for a county to cast two votes at the Young Farmers Business Meeting, this form must be turned in and the county must have had a minimum of four regularly scheduled meetings.

Voting Delegates Form Deadline November 1:

Active county committees are entitled to two voting delegates while all other counties receive one. These forms are sent only to the Young Farmers Chairmen and the County Presidents. Enclosed are the necessary forms for declaring voting delegates.

Young Farmers Letter of Support deadline November 1:

Young Farmers Districts I, III, V, VII, and South Alabama-at-Large are up for nomination this year. During our business meeting, these districts will caucus for their nominee and then be voted on by the statewide delegation. Use the enclosed form if someone in your county wants to be nominated for the State Young Farmers Committee.

We look forward to seeing you at the Annual Meeting!
